Sir:

Preliminary to examination please amend the above-identified application
as follows:

IN THE CLAIMS:

Please replace the following clean amended claims 1, 21, 29, 31, 33, 35, 37,
and 39 for the pending claims with the same number. Marked-up versions of the
amended claims follow the "Remarks" section of this Amendment.

1. (Amended) A radio communication device comprising:

a1
a transmitter-receiver unit that carries out local and bidirectional
communication with a mobile telephone;

an incoming call notification unit that, when the radio communication
device receives from the mobile telephone an incoming call notification signal
that indicates that there is an incoming call to the mobile telephone, carries out
a notification; and
